

**DEPARTMENT OF THE AIR FORCE**  
Headquarters Warner Robins Air Logistics Center (AFMC)

**22 OCT 2001**

MEMORANDUM FOR SEE DISTRIBUTION

FROM: WR-ALC/CC

215 Page Road, Suite 269

Robins AFB GA 31098-1662

SUBJECT: Flexible Acquisition and Sustainment Tool (FAST) Contract Industry Day Fair

1. WR-ALC is hosting a Flexible Acquisition and Sustainment Tool (FAST) Contract Industry Day Fair, 7-8 Nov 01, 0800--1700, at the Museum of Aviation, Century of Flight Hangar. The purpose of this Industry Day Fair is to familiarize WR-ALC requirements and contracting personnel with the FAST contract and the products and capabilities of the FAST contractor teams.
2. FAST contractor selectees were announced 13 Jul 01. Preliminary results have been very positive; the six basic contracts were awarded and over \$13 million of FY 01 funds have been obligated. The FAST contracts are ready for use and are an excellent alternative to Military Interdepartmental Purchase Requests (MIPRs).
3. I encourage WR-ALC product directorate personnel to visit the FAST contractor displays at the Museum and become more familiar with the products, skills, and expertise of the various contractors. Attached is a current listing of the FAST contractor teams. Additional information is located on the FAST website, <http://www.fast.robins.af.mil>. Please contact my FAST Program Manager, Mr. Winfield Greene, WR-ALC/LKF, 6-0873, if you have any questions.

DENNIS G. HAINES

Major General, USAF

Commander
